Defendants

PLAINTIFFS ANSWER
FOR HIS ABSENCE AT THE
SCHEDULING CONFERENCE

Now comes the Plaintiff, Joseph F. Schebel Jr., to explain his absence.

Schebel has repeatedly harassed by the Agawam Police Department more specifically Officer Gary O'Brien. He has stalked, arrest and given many citations on several occasions. Schebel has recently been to trial on an operating under the influence charge brought on by Gary O'Brien and even though Schebel blood test down by Noble Hospital was .001 lowest possible measurement that can be read. Our incompetent district attorney William Bennett wasted more of your tax payer precious resources by having a three day trial. Schebel has also been issued citation by Gary O'Brien where O'Brien has admitted at trial that he

issued Schebel a citation for not having his drivers license on him when O'Brien admitted in open court that Schebel was exiting the Stop & Shop with grocery in his hands. Schebel could go for hours in regards to O'Brien corrupt tactics but will save them for another court.

Schebel further has been in a merciless and inhumane court procedure in the famous incompetent Probate & Family Court. Schebel has filed many appeals in that court including appealing the Dishonorable Judge David Sacks ruling for ordering Schebel to pay custody of a child Schebel has custody of.

With all these court procedures that Schebel is involved in he simply mistaken and miscount court dates that he is involved in.

As Daniel Webster on said *"GOD grants liberty only to those who love it, and are always ready to guard and defend it."*

Schebel will not lay down and watch the greatest country in the world be ruin a few tyrants hence would further explain his candidacy for state representative.

Schebel further apologizes to all parties involved on his absence.

Therefore, the Plaintiff, Joseph F. Schebel, prays this court excepts his explanation for his absence.
